

Ryugatake Mountain Natural Park Campsite

The campsite is located in the Ryugatake Mountain Natural Park, which altitude of the summit is 470 meters.

You can see a panoramic view of the Shiranuhi Sea from the observatory, and also observe the starry sky, nebula, and clusters of stars that spread all over the sky from MYUI Astronomical Observatory.

There are camping facilities, as well as athletic facilities, lodges, bungalows, and tent sites.
