

## What the **cat sign** says is..

a place where cats come out and gather.  
If you're looking for a cat, please use it as a landmark.

- Cats live in villages south of the island.
- Each cat has its own territory.

## Precautions

Most cats are used to people, but sometimes they can scratch or bite. Please be careful.

- Touch the cats gently so that you won't surprise them.
- Refrain from intruding into private property.
- Take your trash home with you.
- Keep an eye on your children.

## What to bring

- ◇Disinfecting Wipes
- ◇Tissue
- ◇Portable First Aid Kit
- ◇Trash Bag — if needed
- ◇Motion Sickness Medication
- ◇Camera
- ✕There are restaurants, beverage vending machines, and small shops on the island.

It is a worth watching Instagram Account that posts pictures of cats in Yushima. It's also helpful to check the name of the cat. (@cat\_island\_traveler)

Drinking with “a cat”?! We could be closer to cats✕

～ How to use the leaflet ～

Enjoy a stroll on Yushima island with this route map showing narrow alleys and cats' locations. We recommend using it with another leaflet, 'Yushima's Cat Directory'.
