Spend a wonderful moment with a relaxing bathing time and fresh and delicious Amakusa cuisine.

The spring water in Matushima is known for its beautifying properties that will leave your skin feel silky smooth. You will be satisfied with the fantastic views, which are the picturesque blue sky, green islands, the deep blue sea, and delicious cuisine created by the fresh ingredients.

The evening sun reduces the bridges of Amakusa to nothing more than silhouettes, dyeing everything a golden red, including the silent and

undulating sea. The superb seascape, chosen as one of Japan's Top 100 Views, is the one that you should see.
