

The Gently Swaying Water and Spectacular View of Matsushima

Staying at Amanojaku, you will have the finest ocean view all to yourself. Inspired by the “ama-no-jaku,” a Japanese word that means “a person who is different from others,” Amanojaku is an ocean resort with an unconventional Japanese aesthetic. All 11 rooms are suites, and every aspect of the resort, including amenities, food, and service, has been carefully considered down to the smallest detail to create a truly memorable experience. We hope you will enjoy the unique Ama-no-jaku experience, which is not bound by preconceived notions, but rather is dedicated to “the ultimate in Japanese sophistication.”
